WHO ARE OUR MEMBERS?

Cities and Counties
State Agencies
Building Officials and Inspectors
Fire Officials
Builders
Industry
Architects / Design Professional
Engineers
Suppliers
Interested Individuals

IDABO is a National Award Winning Chapter serving Idaho's Building Inspection programs since 1958.

SOME IMPORTANT GOALS:

1. To place the public health, safety and welfare above all other interests and to apply the special knowledge and skills of the membership to meet this goal.
2. To investigate and identify the application of safety in the construction, occupancy and location of buildings and related structures.
3. To develop, maintain and support consistency and enforcement of the adoption of the International Building Codes, other codes and related documents.
4. To develop, recommend and support uniform regulation and legislation pertaining to building construction, and to promote uniform application of zoning practice and interpretation.
5. To advise and assist in administration of building laws and ordinances, and to support the code development and application locally, regionally and nationally.
6. To support uniformity of building regulations at all levels of government.
7. To sponsor, support and participate in nationally recognized educational seminars and training programs for personnel and elected officials involved with the enforcement and administration of the International Codes.

CLASSES OF MEMBERSHIP

All classes are individual. The first employee shall pay the rate of Government or Corp./Prof. Membership, all subsequent employees may join at the individual rate.
