

CERTIFICATE OF COMPETENCY IDABO RESIDENTIAL HVAC AIR BALANCING

Idaho Association of Building Officials
PO Box 8224, Boise, ID 83707
208-321-9182
www.idabo.org

Name: Justin Miller
Address: Post Falls, Idaho

Date: January 2015

The person named above has successfully completed the training and testing required to be certified in IDABO'S Residential HVAC Air Balancing program.

This Certification expires three (3) years from the date noted below, at which time the Certification can be renewed by successfully completing a written examination based on IDABO's Residential Air Balancing Manual.

This Certification can be revoked if the holder falsifies test reports or signs off on a report done by another person, or for cause deemed sufficient by IDABO's officers.

Witnessed by our hand
Date: December 2015
Certification No. 10171
