

**CERTIFICATE OF COMPETENCY
IDABO
RESIDENTIAL HVAC AIR BALANCING**

Idaho Association of Building Officials
PO Box 8224
Boise, ID 83707
208-321-9182
www.idabo.org

Name: **Terry Phillips**
Address: Boise, Idaho

Date: September, 2016

The person named above has successfully completed the training and testing required to be certified in IDABO'S Residential HVAC Air Balancing program.

This Certification expires on December 31st three (3) years from the issue date as noted below, at which time the Certification can be renewed by successfully completing a written examination based on IDABO's Residential Air Balancing Manual.

This Certification can be revoked if the holder falsifies test reports or signs off on a report done by another person, or for cause deemed sufficient by IDABO's officers.

Witnessed by our hand
Date: September, 2016
Certification No. 10260
For the Idaho Association of Building Officials
Expires: December 31, 2019
