

# BUILDING INSPECTOR/PLANS EXAMINER

**\$19.63 - \$24.15 per hour**

(Open Until Filled)

This position works independently and performs various technical functions in support of the building inspection/plan review process. Work is performed in a public environment where effective communication is a crucial part of the person's job effectiveness. Primary responsibilities include reviewing and inspecting construction plans and documents; inspecting residential, industrial, and commercial buildings, structures and projects; and ensuring compliance with building codes, ordinances, zoning and safety requirements. The individual in this position is required to work together with other departments and other agencies to improve and maintain efficiency in operations and provide quality customer service.

- Technical training in architecture, engineering, carpentry, construction, construction management, plan reviews, inspections, or closely related field; and
- Two years of experience performing the duties in a field related to those above; or.
- An equivalent combination of education, training, and experience necessary to successfully perform the duties and fulfill the responsibilities of the position.

**BENEFITS** The City of Hayden offers an excellent benefits package that includes medical/dental/vision insurance, Paid Time Off (PTO), PERS of Idaho retirement, an EAP program, and eleven paid holidays. Optional benefits programs for accident/ disability insurance, additional voluntary retirement contributions, and voluntary life insurance are available.

**OUR COMMUNITY** The City of Hayden, a growing community with a population nearing 14,000, is nestled in scenic Northern Idaho on the timbered and sloping shores of Hayden Lake. Once known as "Hayden Village", the City's rich history began with its official incorporation on June 27, 1955. Its charm enticed families from as far away as Spokane to travel frequently along the electric Coeur d'Alene and Spokane Railway to recreate in the Hayden Lake area and enjoy its simple, natural beauty. Today, Hayden citizens enjoy a quality of life that offers them a sense of community and some of the best recreational opportunities in Idaho with all of the amenities of a larger city close at hand.
