

Multi-Discipline Electrical Inspector

This recruitment will be used to fill two positions. The positions will be in Salem, Coos Bay, or Pendleton, based on the successful candidates' locations.

Our mission...

To protect and serve Oregon's consumers and workers while supporting a positive business climate.

The Department of Consumer and Business Services (DCBS) is a progressive business regulatory state agency dedicated to the mission of protecting and serving Oregon's consumers and workers while supporting a positive business climate. The department administers state laws and rules governing workers' compensation, occupational safety and health, financial institutions, insurance companies and building codes. The department has consumer protection and education programs, offices, and ombudsmen to help consumers, injured workers, and businesses.

These positions are with the Building Codes Division (BCD). BCD adopts and enforces the statewide building code relating to the construction, reconstruction, alteration and repair of buildings and other structures and the installation of mechanical, plumbing, and electrical devices and equipment.

These positions are represented by the American Federation of State, County and Municipal Employees union (AFSCME).

What's in it for you:

- Rewarding work in a productive and creative environment
- Colleagues who are passionate about public service
- Work/life balance, 10 paid holidays a year, and a [competitive benefits package](#)
- Advancement and learning opportunities that will help grow your career with the State of Oregon
- Live, work, and play in [Salem](#), [Pendleton](#), or [Coos Bay](#)

Here's what you will do:

As a Multi-Discipline Electrical Inspector you will enforce the Statewide Building Code and adopted specialty codes and standards through inspection of all types of buildings; communicate code requirements to the public, contractors, and local officials; and investigate cases of non-compliance and report appropriately.
